## The Reward of Patience

Seems now to be within measurable distance. For eleven weary months the Queen and people of the Hawaiian Islands have waited with implicit confidence that the Government of the United States would never allow the Stars and Stripes to be stained with the record of aiding a design to upset the constitutional government of a kingdom with which they were at peace, and place the liberties of its people at the mercy of an oligarchy holding the reins of government not by a vote of the nation, but by military force. That confidence has been fully justified. The President of the United States has at last declared in his message to Congress that "the only honorable course for our Government to pursue, was to undo the wrong that had been done by those representing us, and to restore as far as practicable the status existing at the time of our forcible intervention."—Honolulu, Diocesan Magazine.

Ask Your Friends  
Who have taken Hood's Sarsaparilla what they think of it, and the replies will be positive in its favor. Simply what Hood's Sarsaparilla does, that tells the story of its merit. One has been cured of indigestion or dyspepsia, another finds it indispensable for sick headache or biliousness, while others report remarkable cures of scrofula, catarrh, rheumatism, salt rheum, etc.

Hood's Pills are purely vegetable.
